NYCSCA Mentor Program

The SCA seeks to increase, facilitate and encourage the participation of minority -owned, women-owned and locally based enterprise (MWLBE) firms by providing a flexible framework for eligible firms to develop and grow within the construction industry and to establish long-term business relationships with the SCA. Through its Mentor and Graduate Mentor programs, the SCA seeks to increase MWLBE participation in School Construction projects.

A.G. Consulting Engineering, PC, as a sub to AECOM is acting as the SCA's agent providing services to design, plan, administer, manage and coordinate work, develop estimates, solicit bids, evaluate Contractors and Sub-contractors, provide general conditions, testing, controlled inspections; demolition and construction in support of the SCA's Mentor Program. The mentor program involves mentoring minority contractors working on various types of NYCSCA projects, including but not limited to lighting fixtures replacements, auditorium upgrades, paved area concrete, kitchen Conversion etc. The goal is to mentor them how to provide baseline schedule, product and material submittal, on site management, quality control etc. This includes:

Preconstruction Phase Services

Proposal Preparation and Contract Award to Mentor Contractor, Scheduling, Architect/Design Interface, Value Engineering Analysis, QA/QC Meetings, Bid Evaluation/Contract Award, M/W/LBE Compliance.

Construction Phase Services

Mentoring, Project Management Services, SCA Administrative Services, Correspondence, Reports and Records, Change Orders and Design Interface, Shop Drawings and Sample Submissions, Testing, Inspections, Quality Control, Corrective Action, Claims & Disputes, Safety, Contractor Payments, Close Out, Liens and Waivers.
