

NYCT West End Line 12 Station Rehabilitation

The West End Line, Subway line in Brooklyn, NY is a branch line from the Broadway (Manhattan)-Fourth Avenue (Brooklyn) subway, serving the communities of Borough Park, New Utrecht, Bensonhurst, Bath Beach and Coney Island. It is served full time by the D Train, and rush hours by the M Train, which provides direct access to the financial district.

AG is providing Mechanical, Plumbing and Fire Protection engineering design services for the upgrade and rehabilitation of 4 stations and component rehabilitation at 8 stations on the West End Line. Scope of work includes:

- Rehabilitation of all existing station elements to achieve a State of Good Repair
- Reorganization and reallocation of existing rooms throughout the station
- Incorporation of applicable ADA requirements
- Provision of new standpipe fire protection system
- Upgrade the mechanical and plumbing systems
