RE: Pennsylvania Unified Certification Program
Continued Eligibility for A G CONSULTING ENGINEERING PC

DBE Certification

PA UCP No: 12511

Anniversary Date – Annually on January 30

Dear Entrepreneur:

The Southeastern Pennsylvania Transportation Authority (SEPTA), a certifying participant in the Pennsylvania Unified Certification Program (PA UCP), has reviewed your request for certification as a Disadvantaged Business Enterprise (DBE) and is pleased to inform you that your firm appears to meet the requirements established by the United States Department of Transportation in title 49, Part 26 of the Code of Federal Regulations. Consequently, your firm is now certified as a DBE to participate in the program in the following classification(s) only:

ENGINEERING CONSULTING AND CONSTRUCTION MANAGEMENT SERVICES

NAICS Codes:

- 541330 Engineering Services
- 238210 Electrical Contractors
- 238220 Plumbing, Heating, and Air-Conditioning Contractors

If you wish to expand your status to include another type of business, you must contact the PA UCP for reevaluation prior to undertaking any projects as a DBE in the expanded area.

In the event of a change in circumstances affecting your ability to meet size, disadvantage, ownership, and control requirements of Part 26 or any material change in the information provided in your application form; you must inform the PA UCP by means of a Notice of Change Affidavit describing in detail the nature of such changes. You must submit a Notice of Change Affidavit (also available online) within 30 days of the occurrence of the change. Failure to do so will be deemed a failure to cooperate. We would also remind you that the PA UCP reserves the right to review your firm at any time to ensure compliance with the program.
